

LOEWS
NEW ORLEANS
HOTEL

Overview:	Located at the crossroads of New Orleans culture, Loews New Orleans Hotel is steps from the city's most popular neighborhoods including the historic French Quarter and the trendy Arts District. Housed in the former home of the Lykes Brothers Steamship Company, the hotel offers an authentic New Orleans perspective throughout our guest rooms and meeting space with sweeping floor-to-ceiling views of either the Mississippi River or the city's skyline. Even our culinary experience is steeped in New Orleans flavor. Café Adelaide and the Swizzle Stick Bar brings the playful charm of the "Original New Orleans Diva" Adelaide Brennan to its modern Creole cuisine and cocktails.
